

YOUR RECYCLING CART has Arrived!

WHAT YOU NEED TO DO NOW ABOUT YOUR NEW SERVICE!

- The first official day of collection begins the week of; February 15th on your existing service day. For any additional questions not answered in this flyer call Waste Management Customer Service: **(972) 315-5400.**
- If your cart is lost or stolen, please file a police report and then call Waste Management for a replacement.
- Your cart is heavy duty high quality engineered recycling receptacle. Only one cart per resident will be delivered. If you decide not to participate with a cart please call Waste Management and we will have the cart removed.
- There is a list of accepted recyclable materials on the inside of the lid of the cart. This will serve as a reminder. All items may be placed in the cart together; no separation is required. Please rinse all containers before placing in the cart. Do not place any item in the cart except what is listed. No liquids, no food, no hazardous waste, no yard waste! The recycling truck will be labeled "Recycling"; however it may physically resemble the solid waste truck in dimensions and color.

HOW THE PROGRAM WORKS (read opposite side for recycling do's & don'ts)

- Your Recycling collection day will be the same as your trash collection day.
- On your collection day, place your cart out for collection no later than 7 a.m., Carts placed at the curb after 7am will be serviced on the next collection day.
- You will receive "Weekly" service for recycling collection, on the same day as trash service.
- After collection, remove your cart from the alley or street and store in a secure and convenient location.
- **Do not overfill the containers.** The lids must remain closed to prevent littering. Do not place recyclable items outside of the cart.
- Do not place anything that is not listed on the inside of the lid in the cart. Do not put hot ashes, coals, or household hazardous waste in your cart.
- Do not use the cart for any purpose but recycling.
- Do not leave the cart on the street or in the alley where it may be stolen or damaged.
- Both your recycling truck & trash truck will look the same; the difference will be clearly labeled on the truck decals that read, recycling.

Waste Management is proud to be your choice service provider!

ITEMS THAT CAN BE RECYCLED

MIXED RESIDENTIAL PAPER

Newspaper, inserts, magazines, paperboard boxes, mail, junk mail, office paper, phone books, and paperback books and flattened cardboard.

CANS

Food, beverage, and soft drink cans composed of tin, steel or aluminum; other clean cans of same material.

GLASS

Unbroken food & beverage containers that are clear, brown, or green in color.

PLASTIC

HDPE (milk and detergent bottles), PET (primarily soft drink containers), bottles generally referred to as one & two liter soft drink, milk, juice, water, shampoo, liquid soap, plastic containers with #1 through #7 recycling symbol on bottom of the container.

ITEMS THAT MUST NOT BE RECYCLED

- Household trash
- Aluminum foil
- Auto/window glass
- Ceramics, china/dishes
- Drink boxes with straws
- Hard cover books
- Light bulbs
- Waxed milk and juice cartons
- Plastic grocery sacks

- No Styrofoam of any kind (cups, plates, food containers, peanuts or packaging materials)
- Plastic toys
- Waxed paper/food containers
- Yard waste
- Plastic, glass or metal containers that held hazardous materials such as motor oil, paint, pesticide or weed killer

Did you know? One pizza box with food content can downgrade a whole load of Recycling material.
